This will be the most memorable trip yet. CruiseFest is the first DanceFun Group to sail on the Freedom of the Seas – one of the largest ships in the world. Our last cruise on Carnival was on a 110,000 ton vessel. The Freedom is 160,000 tons – nearly 50% larger !

The ship has 2 large lounges with large dance floors, plus a skating rink that converts to a 2000 sq ft wood floor with stadium style seating. The Ice Rink must be rented. We are planning for 4-5 times. A great place for a Pro-Am Showcase !
